Return Goods Policy

Umano Medical has a liberal return and/or exchange program. We are committed to providing each customer with superior equipment and products that have been designed and manufactured to meet their specific needs.

Umano Medical offers a full range of products, systems, services and solutions to its customers. If a customer receives a *Umano Medical* product and is not satisfied, *Umano Medical* will take the necessary actions to resolve the customer's issues, including accepting the product as a return, on a case - by-case basis.

Capital Equipment Returns

Umano Medical shall accept equipment, goods or products for return/credit or exchange, providing that the items have not been removed from the *original* shipping box or container. In the event that a product that was a component of a larger sale and included a quantity discount is returned, the purchase price on the remaining items will be adjusted and an additional order/invoice will be generated for pricing adjustments. A restocking fee of twenty percent (20%) may be charged.

All returns relating to customers' mistakes will be subject to a twenty percent (20%) restocking fee. Unless *Umano Medical* is responsible for the mistake, the customer would pay freight on both directions.

All returns must be approved by *Umano Medical* prior to receiving a Returned Materials Authorization (RMA) number. All items returned to *Umano Medical* must be clearly identified on the outside of the container with a valid RMA number. RMA numbers are issued by a Customer Service Representative (1-844-409-4030). Any returned items received that are not identified with a valid RMA number will be refused and returned to sender.
